

Landscape Painting with Jane Hall

Materials List

Canvas: Rectangular canvas size of your choice that you can comfortably finish in one day - 16 x 20, 18 x 24, 20 x 24 etc.

Palette: Reusable or disposable palette to lay out paint on. I also recommend a small palette for mixing paint.

Brushes: An assortment of brush sizes - Flats and/or Brights, #4, #6, #8, or whatever you have. I also use a rigger size #1 or #2 from time to time. I find the larger my canvas, the larger I like my brushes. A smaller, older brush works well for sketching onto the canvas with paint.

Other: Odourless mineral spirits (for oils) or water container (for acrylics), paper towels, rags, sketch book, felt pen or pencil. Recommend you bring your own small garbage bag.

Paint Palette – oils or acrylics

- **Blue** - Ultramarine & Cerulean
- **Red** - Alizarin Crimson & Cadmium Red Light
- **Yellow** - Cadmium Yellow Light & Cadmium Yellow Medium
- **Orange** - Cadmium Orange
- **Titanium White** – large tube, we use lots
- **Additional paints I use** - Yellow Ochre, Raw Sienna, Burnt Sienna, Yellow Green, & Violet
